

Quick Welcome Guide

**SHINING A LIGHT ON
BIOMEDICAL
AND
ENERGY APPLICATIONS**

**Tenerife,
Canary Islands,
Spain,
13-17 October 2025**

Dear colleagues, dear SHIFTERS:

The SHIFT has just arrived! With this “Quick Welcome Guide” we would like to share **some practical information regarding your stay at Tenerife and your participation at the SHIFT2025** 13-17th October 2025, at Universidad de La Laguna. Since the island Tenerife is a tourist destination it is well connected by air. There are two airports, one in the north (TFN) and one in the south (TFS) of the island. **It should be noted that the airport Tenerife North is located close to the conference venue, so it is highly recommended to travel to this airport.** Some practical info can be found here: <https://shifftenerife.com/program-venue/venue/>. Upon your arrival, you may head to the hotel that you have booked. **Main official hotels of the Conference are located in the city center of La Laguna, see map below and at conference website.** Click here for full address: [La Laguna Gran Hotel](#) and [Hotel Laguna Nivaria](#). They are just 10 minutes walking to the Conference Venue at ([CAMPUS CENTRAL \(Paraninfo\)](#) and [CAMPUS ANCHIETA - "Edificio Física y Matemáticas"](#)) . [Plaza del Adelantado](#) (main square just in front of La Laguna Town Hall and besides the main hotels) will be the **picking-up point for Official Busses of SHIFT2205 (for the conference excursion on Thursday 16th October (busses will departure at 9:00h around “Plaza del Adelantado”, La Laguna (C/ Quinteras) , and for transfer from La Laguna to “Auditorio de Tenerife” at Santa Cruz de Tenerife for the outreach event, TALKS and MUSIC (free entrance), on Wednesday 15th October, 19:30h (busses will departure at 18:30h from La Laguna) and the Gala Dinner afterwards (upon reservation) also at the same Auditorio (busses will return to La Laguna at 23:30h approx.).**

All details and info are continuously updated in the SHIFT2025 conference website; stay tuned at: <https://shifftenerife.com/program-venue/program/>

-REGISTRATION DESKS WILL OPEN AT 8:00 AM ON MONDAY 13th OCTOBER AT CONFERENCE VENUE ([CAMPUS CENTRAL, PARANINFO](#)). PLEASE, WE STRONGLY ASK YOU TO BE PUNCTUAL AT 8:00 AM IN ORDER TO REGISTER AND PICK UP YOUR CONFERENCE MATERIALS BEFORE THE OPENING CEREMONY THAT WILL START AT 8.45AM. Nevertheless registration desk will remain open during the rest of the days of the conference for late arrivals to the SHIFT2025. Remember that closing day, Friday 17th Oct, will be hosted at [CAMPUS ANCHIETA \(Aula Magna Blas Cabrera\)](#)

REGISTRATION BADGE must be carried out at every moment to access all conference sessions, coffees, networking lunches and also to access to Welcome Cocktail and TALKS and MUSIC event

- POSTER PRESENTATIONS: Each poster will be presented in both scheduled sessions (Monday 13th and Tuesday 14th October, 17:30-19:00h). Their size should be A0. Poster will be placed at “CAPILLA” room (see conference venue maps) and they **must be removed during the morning of Wednesday 15th October**

- FOR EXHIBITORS. Exhibition booths for companies will be placed at the hall just at the entrance of “**PARANINFO**” main conference room from Monday 13th 8:00h till Wednesday 15th October at 16:00h, when should be removed (see conference venue maps).

SPECIAL ISSUE INFORMATION (OPTICAL MATERIALS)

["SHIFT 2025: Light on bio, energy and beyond. SHIFT must go on"](#)

To submit your manuscript please go to Optical Materials (at <https://www.sciencedirect.com/journal/optical-materials>) and follow the procedures for manuscript submission.

When prompted for 'Enter Manuscript Information' you can select our **Special Issue Article type as 'VSI: SHIFT 2025'** We welcome you to submit your manuscript(s) at any time before the submission deadline. For any inquiries about the appropriateness of contribution topics, please contact Dr. Jorge Méndez-Ramos via jmendezr@ull.edu.es
Keywords: Photovoltaic solar energy, "artificial photosynthesis", "green hydrogen", photocatalysis, nanophotonics, perovskites, anti-counterfeiting, bioimaging, fluorescent biosensors, nanothermometry.

Submission Deadline: 01 March 2026

Executive Guest Editor

Dr. Jorge Méndez-Ramos, University of La Laguna, Spain, jmendezr@ull.edu.es

Co-Guest Editors

Dr. José Marqués-Hueso, University of Valencia, Spain, jose.marques@uv.es

Dr. Daniel Jaque García, Universidad Autónoma de Madrid, Spain, daniel.jaque@uam.es

Special Issue

SHIFT 2025: Light on bio, energy and beyond. SHIFT must go on
